

**Stallion oil and gas solutions**  
**A WHITE GLOVE APPROACH**

Thanks to over 20 years in the industry, it's no wonder when you think oilfield services, you think Stallion. Stallion is your one-stop solution for all oilfield needs and brings you unrivaled quality for the entire lifecycle of a well. You can count on Stallion's white glove approach to give you connectivity, comfort, and security, whether upstream, midstream, or downstream.

**Fluid Storage Solutions**

Whether you're storing fluids that are oil-, water-, synthetic-, or foam-based, or fracking fluids and chemicals, Stallion's fluid storage solutions are scalable, instantly deployable, maintain viscosity, and resist corrosion.

- 8,400 to 21,000 gallon options
- Tanks available for all needs
- Purpose-designed for QHSE requirements

**Product portfolio:**

Frac Tank, Flat Bottom; Frac Tank, Round Bottom; Open Top Tank, Gas Buster

**Fluid Logistic Solutions**

Your wellsite is only as productive as its fluid in-flow and haul-off logistics. Without them, your jobsite risks slowdowns or even work stoppage. Stallion's attention to detail ensures that your operation keeps your wellsite humming.

- Frac tank rentals
- Flowback disposal
- Expert drivers

**Product portfolio:**

Vacuum Trucks, Salt Water Disposal (SWD)

# Delivering Infrastructure Solutions Nationwide

[www.StallionIS.com](http://www.StallionIS.com)

With more than 25 locations throughout the United States, Stallion's industry-leading solutions are always close at hand. We safely transport and deploy our technology, services, and skilled personnel to jobsites, events, and disaster relief efforts nationwide. From the field to the cloud, Stallion delivers security, comfort, and connection, proving with every project that Stallion is MORE.

## Transfer Pumps

Stallion's transfer pumps ensure fuel, oil, and lubricants are onboard and available, simplifying complex oil and gas operations. As an essential part of oilfield operations, transfer pumps are instantly deployable from dozens of sites across North America.

- Optimized for harsh conditions
- For oil, fuel, lubricants, or other transferable fluids

**Product portfolio:**  
Industrial Pumps

## Sanitation Services

Stallion takes nothing for granted—especially when it comes to waste management. But it's that attention to detail that makes Stallion stand apart. We provide a simple and convenient way to maintain a clean, and thus safe and productive, jobsite.

**Product portfolio:**  
Roll-Off Container, Trash Trailer

## Contact Sales

Fluid management is indicative of the health of a wellsite. Keep your operations running smoothly by giving us a call to let Stallion's turnkey service and industry expertise assist you in maintaining the condition of your jobsite.
